

Trek Part

Trek Parts - TREK Cleaning Machines is a maker of cleaning equipment. Bob O'Hara, Jim Hartsock and Chris Knowlton, TREK's founders, have more than 60 years of experience effectively designing, developing, marketing, manufacturing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their customers and are committed to providing new design concepts and top quality in order to meet the diverse needs of their clients.

In their product development; TREK Cleaning Machines continually provides fresh design ideas. They like providing items which energize both their partners and their dealers and offer production gains to their customers.

The TREK team of workers enjoys new tasks and new challenges. They are really proud to launch its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the understanding of operators' requirements and skills combined with their understanding of cleaning applications, together with owners' strong desire to significantly reduce expense through productivity gains.

When required, the staff members within TREK and its numerous dealer members in both parts and in technical support will be available. One of their core values is their high service devotion in their customer service. Keeping their customers' cleaning machines running and ready on a daily basis is top priority. The company's top of the line technology delivers dependable machinery that ultimately lowers your cleaning cost. The price, the service and the product all work as one to make them the leader in the trade.
