

Ingersoll Rand Forklift Parts

Ingersoll Rand Forklift Part - Ingersoll Rand provides products, solutions and services in order to ensure efficiency and increase the productivity in industrial, commercial and residential surroundings. They pride themselves in providing products to be able to enhance the health, safety, comfort and security of people all over the world throughout their four worldwide segments.

The Climate Solutions division delivers a world-class product line of energy efficient HVACR solutions for customers. Thermo King is the leader in transport temperature control, while Hussmann is a manufacturer of refrigeration and food merchandising solutions. Trane is a trusted provider of energy efficient heating ventilation and air conditioning systems, contracting and building services, parts support and advanced controls used for both residential homes and commercial buildings.

The Industrial Technologies sector of Ingersoll Rand provides products and solutions to enhance energy efficiency, productivity and operations for their customers. The series of products in their line include: tools and pumps, and material fluid handling systems to complete compressed air systems. They have even developed Club Car, the international leader in golf and utility vehicles designed for businesses and individuals.

Trade names such as Trane and Schlage provide residential solutions that provide comfort, safety and efficiency to home owners around North America. Their innovative products include electronic and mechanical locks, indoor air quality solutions, heating and air conditioning systems, advanced controls, remote home management and portable security systems.

Ingersoll Rand' Security technologies offer products which ensure productive, secure and safe environments. This division's market leading products consist of door and floor closers, portable security devices, exit devices, electronic and biometric cabinet hardware, access control systems, steel doors and frames and locks, locksets and decorative hardware. Schlage even has products that provide attendance, personal and time scheduling systems.
